

OFFICIAL NOTICE

Clarification Regarding VIDYAWAN and VIDWAN Platforms

Notice No: VIDYAWAN/NOTICE/2026/03/01

Date: 20 March 2026

Applicable To: All Users (Students, Teachers, and Visitors)

Subject: Clarification on VIDYAWAN and VIDWAN Portal Confusion

Important Notice:

It has come to our attention that a number of users searching for the “VIDWAN” portal are inadvertently visiting and registering on VIDYAWAN due to the similarity in names. We consider it important to clarify this distinction to avoid any misunderstanding.

VIDYAWAN is an advanced learning platform designed to support students in their academic and professional development. The platform offers internship-based learning programs, simulated real-world practice environments, structured mock tests and assessment systems, marathon-style competitive challenges, as well as access to **Previous Year Questions (PYQs)** for effective exam preparation.

The primary objective of VIDYAWAN is to provide a comprehensive skill development and learning ecosystem specifically tailored for students.

Important: *VIDYAWAN is not affiliated in any manner with the Government “VIDWAN” research portal, which is intended for use by professors, researchers, and academic institutions.*

Users who are intending to access the Government VIDWAN portal are advised to visit the official website of that platform to ensure they reach the appropriate service.

We appreciate your understanding and cooperation.

Sincerely,

Team Vidyawan
